Retrouvaille is a program designed to assist couples in healing and rejuvenating their troubled marriages. This program, rooted in Christian principles and originating from Catholic traditions, welcomes couples from all faiths or those without religious affiliations. It focuses on practical strategies to enhance communication, strengthen marital bonds, and facilitate reconnection between partners. Unlike traditional marriage counseling, Retrouvaille employs a unique approach where couples who have faced similar challenges share their experiences and the methods they used to revive their love and rebuild their relationship.
